

Tuesday 5th July 2022 (Week 10, Term 2; 2022)

Tena Koutou Katoa,

What an awesome Matariki day last week, the weather was beautiful and the hangi was yummy and delicious!! The tamariki were so excited about presenting their learning and kapa haka. It has been a while since a gathering has taken place at school, so a big mihi to those who attended and to those who helped prepare the food.

Every day matters

Schools have more emphasis on attendance. This website link talks about attendance and engagement at school. Parents and guardians have legal obligations to ensure their children attend school. The school expects parents to:

- notify the school if their child is going to be absent by phone, text, website or email by 9 am.
- try to arrange appointments etc. outside school hours or in holidays
- work with the school to manage any attendance issues.

Keeping the school informed is the best way to overcome attendance issues.

Roofing project: After the school holidays our two classrooms will be reroofed with some renovations inside, both rooms will be closed during the time of the project. Could we have some helpers during the first week of the holidays with moving the classroom equipment and resources to the hall on Wednesday 13th July 2022 from 10am onwards?. Should we have further work to be done we will continue to move things on Thursday 14th July 2022 also. Let us know please.

Lost property: We have a full bin of clothes that need claiming. Lots of socks, jerseys and jackets sitting in the clothing bin. It would be nice if parents could come and look through the clothes and collect, or maybe name all clothing please. That would be a big help.

Mural Art

Our tamariki have been designing and creating their own art on a tile to represent their whanau. These tiles will be used to create a mural in the front of our kura.

Netball Girls

We have a group of girls who combined with Awakeri school to play in the Saturday league. It was great to see them under a different spotlight and we are very proud of their efforts this season.
