

24 August 2022 (Week 5, Term 3; 2022)

Kia Ora e te Whanau,

It feels like spring is approaching already! Which is great as the roofing project is well underway. Thank you to whanau who attended the parent interviews. It is always a good opportunity to talk about your child's progress, achievement and aspirations. Especially as the last few years have been so disruptive, making connections again is the most important part for us.

Science Roadshow-The year 4-8 students visited Apanui school to take part in the science roadshow. The hands-on activities were a hit! While the presentations of the Tesla coil and the water cycle generated many questions and korero.

Our learning for the term is based around 'Predators', we have been looking at introduced creatures that threaten our native plant and wildlife. We plan to visit the Manawahe Eco center and look at the kiwi program. There are lots of cats under our school buildings and if anyone has any traps available for us to use we would be very grateful.

PB4L is a program that helps reinforce 'Positive Behaviour for Learning' This is where our school values stem from. This weekend there is a PB4L conference that Whaea Nicki and Whaea Tammy are attending.

**Thank you for supporting us with the Teacher only day this Friday.**

### **Values-PROS**

**P-Perseverance**

**R-Respect**

**O- hOnesty**

**S-Self Control**

**Absenteeism: Attendance is a priority at the moment. Please, please ensure your child attends school everyday. It definitely counts in their learning!**

**If you are interested in a Caretaker or Van driving position we would like to hear from you. You will need a C.V and will be police vetted. Inquiries please to our office on 07 322 8210 or email [principal@temahoe.school.nz](mailto:principal@temahoe.school.nz)**

### **Dates to Remember:**
