

(Pipiri Week 9, Term 2; 2023)

Kia Ora e te whanau,

Assessment and reporting time- It's that time of the year when our teachers are working hard to assess our students' progress so that we can report the results to parents. This is quite involved as teachers test, analyse, discuss, collaborate and moderate their findings. Tests or assessments are just one piece of the picture, we also look at book work in class as well as teacher observations to help build the learning picture of each child. This is called triangulated data - assessment - bookwork-teacher judgment. Reports will be given out in the last week. We will also have a follow up to these in week two of term 3.

Whanau Challenge Day- We only have one week before our whanau challenge day and we encourage as many whanau members to join their tamariki in completing a project. The tamariki have been planning their ideas and listing the resources they need to get the job done. Please keep Thursday the 29th of June free 10-2pm, come join us for some fun, constructive, hands on activities and lunch!

School Docs - Is the website where our school policies and procedures can be found. Please search for the website and login using 'temahoe' and password 'tms'. Our concerns and complaints process is also on here. The first point of contact is always to talk to your child's teacher first.

Thank you to Whaea Cath's mum for knitting all these woolly warm hats for our tamariki!!

We had a boxing session at Warwick’s gym in Kawerau last week. It was a different environment for the children to go hard exercising and building up their strength and stamina. We are hoping this will be a regular fortnightly event.

UPCOMING EVENTS

- 29 June Whanau Community Day
- 30 June Reports go home/Last day of Term Two/Kawerau Hot Pools
- 17 July First day of Term 3
