School-Whānau Partnership in Supporting Tamariki Learning

Tēnā koutou e te whānau,

Our government has emphasised the importance of improving teaching and learning outcomes for all tamariki.

Schools across the country have been tasked with raising educational standards to ensure our children receive a quality education that meets national benchmarks.

At Te Kura o Te Mahoe, we recognize that achieving these goals requires close collaboration between our teachers and whānau.

We are committed to working together with you, our whānau, to support the learning and development of your tamariki. Our role as teachers is not only to provide quality instruction in the classroom but also to listen to your aspirations and insights regarding your child's education.

We want to understand your goals and vision for your tamaiti, and we believe that through open dialogue and shared decision-making, we can create the best possible learning environment for them.

This partnership is vital to our shared success. By engaging with you, we can tailor our teaching approaches to better meet the needs of your tamariki, ensuring that their learning journey is supported both at school and at home.

Together, we can help our children achieve the nationally respected outcomes we all strive for. We look forward to working alongside you to make this vision a reality.

PARENT TEACHER INTERVIEW

Please find time and a day to be a part of your child's academic goals and achievements by coming to meet their teacher and discussing your goals and achievements.

HAROLD EDUCATION

Last week we had Harold the Giraffe trailer at our kura. We want our tamariki to experience all things offered.
